OUE: WE TAKE FUN SERIOUSLY.

The **Ontario Underwater Explores** scuba club has been run by volunteers since 1965 – there is no pressure to buy goods or services – we are focused on having **fun in diving!**

Fun is second only to **safety**. Diving together, we rely on each other and learn from our buddies.

Each year we plan an extensive **dive schedule** including both the favourite dive sites in Ontario, Quebec and U.S. – and the ones lesser known. We also do a lot of **impromptu** dives throughout the year.

Thursday nights are **pool nights** – in the 16ft. deep end of the Etobicoke Olympium pool. For the ones interested in **training**, the club can arrange for various courses – from basic open water certification right through to technical diving.

Since 1992, the OUE has been hosting a yearly **Scuba Swap and Sale** – the largest event of this kind in Ontario. A great opportunity to buy at great prices, to sell to motivated buyers – or just to meet old buddies and have a chat...

OUE membership has its privileges! In addition to weekly pool sessions and exclusive diving trips, your membership entitles you to discounts at select local dive stores. OUE members also receive the **Ontario Underwater Council** membership at no extra cost (www.underwatercouncil.com).

Drop by the pool on a Thursday night! Check www.ouescuba.com for times and other information, or contact us at info@ouescuba.com.
